

100 Series Cat6a U/FTP LSZH B2Ca Cabling Kit

Our 100 Series Cat6a Cabling kits offer a range of different solutions depending on the installation requirements. This Kit provides a 100m Box of Cat6a U/FTP LSZH B2Ca Cable, which has an orange LSZH outer sheath.

Choose from a variety of accessories and select the kit that suits your installation requirements.

Features & Benefits

- Comprehensive accessory options including IDC Punchdown Tool, Faceplates & Cable Stripper.
- This Cat6a cable supports data transmission speeds of up to 10Gbps and a bandwidth of 500MHz, making it ideal for high-performance networks, data centres, and demanding applications such as 4K/8K video streaming and large data transfers.
- Everything you need in one kit, saving time and effort by eliminating the need to source individual components.
