PUSH 'N' CONNECT

A secured connection at the push of a button¹

STEP 1	STEP 2	STEP 3
Install CD and push the button on the adapter	Push the Push 'N' Connect button on the router	Secure wireless connection

PRODUCT OVERVIEW

The NETGEAR N600 Wireless Dual Band USB Adapter wirelessly connects your notebook or desktop computer to a Wireless-N network for demanding applications, such as streaming HD video and multiplayer gaming. Dual band technology avoids interference, ensuring top speeds and the greatest range, and compatibility with Wireless-G networks allows hassle-free connection flexibility. Easy setup with the Smart Wizard® CD gets you up and running fast, while Push 'N' Connect gives you a secured connection at the push of a button.

- **Dual band** — Ensuring top speeds and the greatest range while minimizing interference
- **Faster multimedia streaming** — Provides Wireless-N speed for streaming HD videos, simultaneous downloads, and online gaming in addition to basic Internet applications. Backward compatible with Wireless-G
- **Easy setup** — Smart Wizard® CD with graphical installation guide
- **Secured connection** — Push 'N' Connect offers a secured wireless Internet connection at the push of a button
- **Technical support** — Expert technical support team available 24/7
